Fisherman's Quay Loading Zone Moorage Application and Agreement

Due to ongoing misuse and abuse by the public at large, the Fisherman's Quay has implemented a permit system for loading zone moorage of boats for Skippers doing business at the Fisherman's Quay facility. Violation of policy rules will result in cancellation of permit privileges.

Upon approval of this application, you will be issued a permit number and laminated permit document which **MUST** be prominently displayed in your vessel's **DOCK FACING WINDOW** when moored at the FQ loading zone. Moorage is not allowed without a permit displayed. Be advised that some boats, due to size and power, are not suitable for moorage at our light duty float and dock facility and will therefore not be issued permits.

Print **CLEARLY** with **ALL** information requested. Missing info = incomplete application.

Name of Skipper: _____ Name of Boat: _____
Phone Number: _____ Email address: _____
Mailing Address: _____
Length of Boat: _____ AK# or USCG COD#: _____
(stem to stern, not just waterline)

Are you a FQ long-term storage or moorage tenant? _____ If so, unit #_____

In exchange for the privilege of short-term loading zone moorage at the Fisherman's Quay, I agree to the following terms of use: (**please INITIAL each provision—not check marked!**)

_____ No smoking anywhere around the facility, including on boat while moored at the FQ.

_____ No garbage or debris will be left on the FQ premises or put into FQ or LFS dumpsters.

_____ No off-leash pets allowed on the premises, animal waste cleaned up immediately.

_____ Loading Zone privilege used responsibly. Minimize time so others may access.

_____ Moorage use **ONLY** while doing business at the FQ facility. No shopping offsite etc.

_____ No moorage outside of LFS hours of operation—UNLESS an FQ tenant

_____ **Photo of boat texted to 907.747.8344** (Low resolution image)

_____ _____
Skippers Signature Date
